PROFESSIONAL SUMMARY

Highly results-driven professional with 7+ years of experience in customer-facing B2B enterprise account management and business development. Passionate about driving meaningful impact for customers by helping organizations achieve success and delivering exceptional experiences through SAAS solutions. Currently pursuing a part-time Master's in Software Development at Boston University to expand my technical expertise in software engineering and application design. Eager to apply both business and technical expertise to deliver innovative and customer-focused solutions.

EDUCATION

Boston University

Expected 03/2026

Masters of Science in Software Development

- **Relevant Coursework:** Object Oriented Analysis & Design, Unified Modeling Language (UML), Information Systems Analysis & Design,
- **Technical Skills Obtained:** Python, Java, SQL, HTML, CSS, JavaScript
- **Projects:**

University of Washington

06/2015

Bachelor of Arts in Business Administration

PROFESSIONAL EXPERIENCE

Sr. Customer Success Manager - Enterprise

Emburse | Greater Seattle Area (Remote)

08/2022 – Current

- Manage a \$10M enterprise customer portfolio across 50+ accounts, driving renewals, reducing churn, and improving NPS (Net Promoter Score).
- Conduct and prepare quarterly business reviews by leveraging Google Looker, identifying KPIs and presenting insights and best practices to enhance customer outcomes
- Oversee the end-to-end customer journey from onboarding, implementations, and adoption by identifying success measures and ensuring a positive account health of the customer
- Partner with product team to assess enhancement requests and use case to deliver customer-driven improvements
- Collaborate with product, engineering, and support teams to triage and resolve customer escalations, identifying root causes and implementing corrective actions to prevent recurrence
- Own “Pendo” application, which analyzes customer’s end user experience data, as a subject matter expert by developing best practices and train the overall CSM teams to optimize user adoption

Client & Market Development Representative - Enterprise

SAP Concur | Bellevue, WA

02/2018 – 08/2022
